Title: Black Dagger Brotherhood Discussion

Time: 04/10/2011 09:00 PM EST

Panelists: Rachel and Nicola (Alpha Heroes)

Episode Notes: Are you a Black Dagger Brotherhood fan? Were you at the store bright and early on March 29th just to get your hands on *Lover Unleashed*? Now the big question - what did you think? Larissa, Rachel, and I want to know what you thought about the first novel in the BDB to focus on a female instead of the hardcore brothers. I know *Lover Revealed* has Marissa, but we all know the story was really about Butch and Vishous. *grin* Who's your favorite brother? What didn't work for you? We want to discuss these fabulous men and the women they find, so join us at Talk Shoe on April 10th at 9pm EST and let's talk about it.

[09:43:21 PM] <cindymac52> We'll see...things are gonna change!
[09:43:30 PM] <Guest 13> she said JM will never know that he is darius
[09:43:48 PM] <Guest 13> but that Xhex may find out
[09:43:52 PM] <cindymac52> But he remembers some stuff
[09:43:56 PM] <Guest 18> I hate that the female characters, for the most part, are relegated to virtual obscurity once she's had her turn in the Main Character spotlight!

[09:45:35 PM] <Nicola_O> so she couldn't go into the fade

[09:48:57 PM] <Guest 13> She made as if there is a possiblity that Payne could cure Wraths blindness
[09:50:38 PM] <Nicola_O> I wasn't crazy about the first compendium
[09:51:50 PM] <Guest 18> That's because it sucked. I was expecting something more coherent - that was like an anthology hate her bibliography and threw up.
